

EARTH - LIFE SCIENCE INSTITUTE

WELCOME TO ELSI, FRIDAY 16 JANUARY

Dear Symposium Participants,

Following 3 days of our formal symposium program we invite you to join us for continued discussions in a more intimate, relaxed, and informal atmosphere at ELSI on Friday 16 January. For directions, please consult the map on the reverse side. Our discussions will re-visit each of the 3 main sessions of the symposium, and will also include another opportunity to display and discuss posters. **Poster presenters are especially encouraged to bring their posters to ELSI on Friday.** A detailed schedule is listed below. We look forward to hosting you at ELSI.

Sincerely Yours,

A handwritten signature in black ink that reads "Kei Hirose".
